In the Notice of Allowability, the Examiner states that he did not consider one of the documents (Japanese Patent Publication No. 11-237310) submitted with the Information Disclosure Statement ("IDS") filed August 30, 2001, because the IDS did not include a concise explanation of relevance. However, Applicants respectfully point out that a concise explanation was provided, i.e., Applicants pointed out in the IDS that the relevance was discussed in the body of the present application at page 28. A copy of the Form PTO 1449 marked up by the Examiner and returned with the Notice, another copy of the Form PTO 1449 as originally filed, and a copy of the IDS filed August 30, 2001, is attached. The Examiner's attention is directed to page 2, lines 3-4, of the IDS
